Keiki Swap Meet Participant Information

In order to make this a truly fun and educational event for our Keiki, please observe the following participant guidelines:

1. All children who participate in the Swap Meet must be registered and must pay \$3 to participate. This payment is non-refundable and necessary for us to produce this event as such a low cost to each child. Please note that late registration after the 11/10/17 deadline is \$5 per child.
2. For safety reasons, all children must be accompanied by an adult at all times. Similarly, all children must be present to sell their items. This event is designed to be an educational experience for children to teach them about money and economics. Adults selling items without a registered child will be asked to leave. In addition, **no food or drinks may be sold**, and all items sold must be children's items.
3. All children must check-in before the start of the event. Only registered children may participate. **Check-in and Set-up will begin at 9:00am.** The event will be held rain or shine.
4. Please make sure that all items sold are complete and in good working condition. Many children purchase items at this event and will be very disappointed if their purchases are not usable.
5. At the end of the event, please clean-up any trash around your area and remove any unsold items. The Center must comply with State Park permit regulations and future Keiki Swap Meet events may be compromised if the park is not left in the same condition we received it in. Also, if you are planning on bringing a pop-up tent, please note that State Park regulations prohibit the use of stakes in the ground. Please plan to bring another means to weight down a tent.
6. Parking is located in the Kakaako parking lot. **Cars parked along Cooke Street will be towed.**
