CAMP DESCRIPTIONS

Building is Awesome June 3-7

Join Emmet, Lucy, Unicorn Kitty and Benny on a journey to stop Bad Cop and Lord Business from super-gluing the world. Campers will put their engineering skills to work as they build motorized models, 3D figure models and mosaics. They'll love playing fun games and doing cool crafts based on The LEGO® Movie and its sequel.

Transformation Creations June 10-14

Get ready to build and discover how your model transforms! Campers will love the mash-up of combination models that can be rebuilt into something different. These awesome 2-in-1 models will include exciting characters, robots, vehicles and more! Follow the step-by-step building plans and ignite your inner engineer by using your imagination to transform your model into something unique.

Brick City Engineers July 22-26

Campers will put their engineering and architecture skills to work as they build city themed models using LEGO Bricks. The sky's the limit when campers are challenged to use their own ideas and skills to build a skyscraper taller than their heads! They'll have a blast using custom-built cars to move the people of the city all around town – brick by brick! What an accomplishment to be able to proudly exclaim "We built this BRICK City!"

Lego Movie Mash Ups July 29-Aug. 2

Join us on a movie mash-up adventure! This camp is filled with a variety of awesome model builds from your favorite movies. LEGO® enthusiasts will build to infinity and beyond with Buzz, Woody and Jessie, fly high with Toothless and his fellow dragons and much more.

Remote Control Mania August 5-9

Making it move is the name of the game at this exciting camp! Kids will love to see their creations in motion using LEGO wireless remote controls. Each day, campers will use fascinating and challenging LEGO components to create dynamic vehicles, inventions, machines and more.
