

# Preschool Playtime

Where play and learning connect!

Wednesdays & Fridays 8:30am-12:00pm • Ages 3-4 yrs.

Preschool Playtime provides young children with rich hands-on experiences in a welcoming environment that is designed to help them acquire an understanding of the world around them, to build on their relationships with others, and to develop a love of learning. The class offers children a first-time preschool classroom experience where they can gain early literacy, math, social and other skills while gaining self-confidence through creative self-expression.

## Program Description

Each month children will discover the joy in learning through hands-on interactive lessons, visits to the Discovery Center exhibit galleries and outdoor play. Program includes a morning snack. Lunch may be purchased from the Discovery Center's Kids Cafe for \$4 or brought from home. All children must be able to use the restroom independently.

### Fairytale Remix

*January*

Get familiar with a fairytale favorite, The Tortoise and the Hare. We will visit different countries and discover how each nation retells the story in its own way.

### It's a Zoo in Here

*February*

Elephants trumpeting, alligators snapping, lions roaring... It's a Zoo in here! This month we'll learn about animals and habitats found in a zoo, as well as the responsibilities of a zookeeper.

### Icky Sticky Science

*March*

It's icky, it's sticky, it's Science! As scientists we will conduct sensory rich experiments and explore how they feel.

### Festivals Around The World

*April*

Let's celebrate Holi, Hanami, Mardi Gras and many more. Grab your passports for a trip around the world and see how different cultures celebrate!

### Eric Carle

*May*

Crawl your way into a good book as we explore the magical works of Eric Carle. Join us as we highlight the beauty of Carle's work through art.

### Happy Campers

*June*

Pack your tent and fill your canteen. This month we are using imaginary play to help us travel to the great outdoors. Join us as we learn about our natural surroundings and practice life skills.
