

# Preschool Playtime

Where play and learning connect!

Wednesdays & Fridays 8:30am-12:00pm • Ages 3-4 yrs.

Preschool Playtime provides young children with rich hands-on experiences in a welcoming environment that is designed to help them acquire an understanding of the world around them, to build on their relationships with others, and to develop a love of learning. The class offers children a first-time preschool classroom experience where they can gain early literacy, math, social and other skills while gaining self-confidence through creative self-expression.

## Program Description

Each month children will discover the joy in learning through hands-on interactive lessons, visits to the Discovery Center exhibit galleries and outdoor play. Program includes a morning snack. Lunch may be purchased from the Discovery Center's Kids Cafe for \$4 or brought from home. All children must be able to use the restroom independently.

### New Year's Around The World

*January*

Kung Hee Fat Choy! Feliz año Nuevo! Maligayang Bagong Taon! Grab your passports for a trip around the World and learn how different cultures ring in the New Year!

### All About You!

*February*

What color is your skin tone? Who is in your family? What is your special talent? This month we will promote language and comprehension skills as we share what makes us unique and special!

### Storytime with Jane Yolen

*March*

Inspired by Jane Yolen's popular Dinosaur books, children will develop a love for reading by exploring her rhyming text and playful dinosaur illustrations.

### Terrific Trucks

*April*

Have you ever wondered how the postal worker carries letters from one place to the next? Have you ever wanted to see the inside of an ice cream truck? All your questions will be answered this month as we learn all about community helpers and their Terrific Trucks!

### Oh, Opposites!

*May*

Help us to explore Oh, Opposites! Up and down, big and small, rough and smooth and many others. This literary theme will have us engaged in directional games and sensory-rich science experiments.

### Let's Move!

*June*

'I like to move it, move it! You like to move it, move it!' So, get ready for nonstop action this month as we exercise our bodies and our minds. Through interactive games and activities, we'll learn tips on how to focus, find peace and keep our bodies growing strong.
