

Preschool Playtime

Where play and learning connect!

Wednesdays & Fridays 8:30am-12:00pm • Ages 3-4 yrs.

Preschool Playtime provides young children with rich hands-on experiences in a welcoming environment that is designed to help them acquire an understanding of the world around them, to build on their relationships with others, and to develop a love of learning. The class offers children a first-time preschool classroom experience where they can gain early literacy, math, social and other skills while gaining self-confidence through creative self-expression.

Program Description

Each month children will discover the joy in learning through hands-on interactive lessons, visits to the Discovery Center exhibit galleries and outdoor play. Program includes a morning snack. Lunch may be purchased from the Discovery Center's Kids Cafe for \$4 or brought from home. All children must be able to use the restroom independently.

Community Helpers

July

Community helpers are all around. Who can help us cross the street? Who helps us feel better when we are sick? Join us this month to find out who in our community can lend a helping hand.

Bugs, Bugs, Bugs

August

Creepy crawlies, oh my! Explore different bugs through books, videos and hands on activities in our courtyard garden. This month we'll use the power of observation to learn all about BUGS.

Wearable Art

September

The art we create this month doesn't go in a gallery, we get to wear it! Using recyclable materials and various techniques, we will make wearable art!

Math Monsters

October

Not all monsters are mean and scary, some help us learn. This month we will focus on counting numbers, creating shapes and recognizing colors with the help of monsters. Come play with us and join the fun!

Exploring China

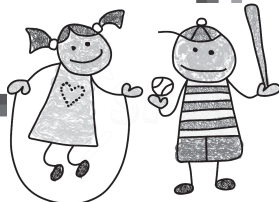

November

Let's go on an adventure to see giant pandas, a Great Wall and where the kite was invented. This month we will discover what makes China so unique and special through activities, art, music and more.

Laura Numeroff Author Study

December

If you give a mouse a cookie what will he do next? Come find out with us as we dive into the rich literature of Laura Numeroff and all of her "If you give a..." books and recreate some of the humor from her stories.
