Magic Camp (weekly sessions)

Based on the "Five Ps" of magic, Public speaking, Problem-solving, Preparation, Poise, and Performance, our young magicians will learn amazing illusions and mind-blowing magic. Become a confident speaker and performer- both new and experienced students welcome. Our youngest students will learn KinderMagic- illusions designed specifically to engage and enlighten pre-K through 1st graders. New magic will be taught every week.

June 17-July 19

Young Magicians & Scientific Explorers  
(5 week summer program)

The Honolulu Magic Company is bringing both our Summer Magic & Scientific Explorers programs into an integrated experience. Whether our students are performing an illusion or discussing the findings of an experiment, we will be working on public speaking, problem-solving, preparation, poise and performance. Students will have their critical thinking skills put to the test as they work collaboratively in exploring how to share the results- or a magic trick! Returning magicians will gain access to higher level magic and be leaders in the classroom. Classes will be taught by the Honolulu Magic Company. New magic and science will be explored every week.
