

Preschool Playtime

Where play and learning connect!

Wednesdays & Fridays 8:30am-12:00pm • Ages 3-4 yrs.

Preschool Playtime provides young children with rich hands-on experiences in a welcoming environment that is designed to help them acquire an understanding of the world around them, to build on their relationships with others, and to develop a love of learning. The class offers children a first-time preschool classroom experience where they can gain early literacy, math, social and other skills while gaining self-confidence through creative self-expression.

Program Description

Each month children will discover the joy in learning through hands-on interactive lessons, visits to the Discovery Center exhibit galleries and outdoor play. Program includes a morning snack. Lunch may be purchased from the Discovery Center's Kids Cafe for \$4 or brought from home. All children must be able to use the restroom independently.

Fantastic Farms

January

Grab your pitchfork and overalls and head on down to the farm as we learn about growing crops and tending to animals. This month will be filled with moo-tastic investigations!

Music Makers

February

Boom-Chicka-Boom! This month we will be shaking it up as we learn about the science behind sound, how to keep the beat, and how instruments are made.

Whose Nest

March

A nest can be noisy, or quiet, large or small. They can be seen in plain sight or camouflaged! This month we will be investigating a variety of nests and their inhabitants.

All About Bees

April

Bees make the world go round. This month we will be buzzing as we learn about the importance of bees to our eco system. We will engage in authentic learning experiences while taking care of our environment.

Hawaii Life

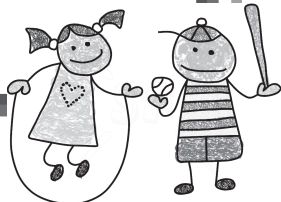

May

Aloha! This month we will celebrate the beautiful Hawaiian Islands we live on. Through music, literature and play we will discover Hawaiian legends and traditions.

Build It

June

Put on your construction hats as we jump into a variety of engineering challenges. This month will be all about balance, shapes, and problem solving!
