MONSTER FOOTPRINT HOP

Follow the footprints for a hopping good time

Big Idea:
Hopping games help develop strength, balance and coordination.

Materials:
- Paper
- Marker
- Scissors
- Tape

Directions:
1. Cut out monster shaped footprints in even numbers. The more you cut the longer the trail!
2. Arrange and tape the footprints on a trail. Change the direction of the footprints for added fun. Experiment with different patterns.
3. Hop the trail turning in the same direction as the footprints.
